Hi Chris,

Yes, I spoke with the government liaison @ the state and he has indeed spoken to the Riverkeeper and Daylin Leach's staff in the past about this issue. I understand that PADEP is actually who they need to be talking to overall. So I decided to cancel the call and refer Leach's staff to the government liaison. I think I could still share the information you have pulled together and also let MP know that moving forward her POC should be the state.

I will let you know how it plays out...

Hi Kinshasa,

Maybe this was due to requesting the State to sit in on the call? Would you still like the answers to the questions on the timeline?

Thanks,
